

2025 Versailles Lions Pumpkin Show Vendor Pricing

Food/Retail Vendor Trailers

\$38 per linear foot plus \$100 for electric/water

Food Vendor (Tent Style)

\$28 per linear foot plus \$75 for electric/water

Craft/Retail Vendor (Tent Style)

\$25 per linear foot plus \$25 for electric

Price is for water and electric regardless of which it utilized. All vendors will need power for lighting booth in evening hours as generators are not recommended for safety and noise reasons. Review the vendor contract for rules/regulations on insurance requirements, permits as well as for setup/tear down times. Gray water CAN NOT be dumped into the street, you will need a holding tank or some way to transport your waste out when you get full. This is a state law and you can be fined and removed from event if found in violation of this by the health department. The event happens rain or shine, we will close for 30 mins after last lightning strike but otherwise will be open unless there is a threat to public safety. Your space/trailer must be open during the Pumpkin Show operating hours of Wednesday & Thursday and Friday 5p-10pm and at minimum on Saturday 11a-10pm. If you choose to open early during the week to allow residents/businesses to come to your space from Wednesday to Saturday let us know so we can share that information. If you provide us with your menu, we can share that as well.

No leaving daily or early tear down unless permission is given by the Pumpkin Show Vendor Concession Manager, Pumpkin Show President or their designee. Any questions please contact the Concession Manager via email at lionsversailles@gmail.com or if emergency you can call/text me at 812-621-0805.

Sincerely,

Keri Johnson

Concession Manager
